

## 'FORCE DE LA NATURE' OAKVILLE NAPA VALLEY CABERNET FRANC

*"Luc Morlet has certainly proven once again his incredible talents. This is possibly the finest 100% Cabernet Franc ever made in California."*  
*Robert M. Parker, Jr. The Wine Advocate, December 2015*

This wine captures the strong, rich and dense character of the Cabernet Franc grapes from the famous Beckstoffer To Kalon vineyard in Oakville. Bottled only during outstanding vintages, this wine pays homage to Luc's great-grandfather, Gaston Morlet, who had a reputation for being a force of nature in his native Avenay-Val-D'Or. His pioneering spirit has remained one of the forces behind generations of our family passionately growing grapes and making the best wines possible. Crafted from 100% Cabernet Franc grapes, this wine truly is a 'Force of Nature' or 'Force de la Nature.'

*Winemaker Notes: Dark red with a hue of purple. Intense and complex bouquet of mocha, toasted coffee bean and freshly cracked black pepper. The palate is reminiscent of the nose, intermixed with notes of black raspberries, scorched earth and forest floor. Full-bodied with a massive tannic structure, this one-of-a-kind stunner is meant to be cellared and will age gracefully for many decades.*

*Gaston Morlet's spirit remains a force behind generations of our family's passion for growing grapes and making the best wines possible.*
