Sriti Fusillo holds a degree in microbiology from the University of Arizona. An entrepreneur by nature, she created a successful children's accessories line which she eventually sold to Disney. After tasting a 2002 Peter Michael Winery 'Les Pavots' (*coincidentally crafted by Luc Morlet*), Sriti developed a passion for high-end wines. Shortly thereafter, she left the scientific research field to pursue a career in the wine industry. While representing various wineries through her own brokerage company, she was instrumental in placing luxury brands in top accounts over the years.

Sriti joined Morlet Family Vineyards in the fall of 2015 as the Director of National Sales. She is solely responsible for Southern California, and is also the Winery's primary contact for all other markets across the country. Sriti oversees the placements of the highly allocated and sought after wines in premier restaurants and is the Winery's representative for market visits, trade tastings and staff trainings for Distributors.

Sriti lives in Southern California with her husband and their two children.
